

Veranda Sectional Corner Chair, Driftwood

CHSPR8003-DW-WT - Veranda Sectional Corner Chair

Our Veranda Sectional Corner chair features an all-welded, powdercoated tubular aluminum frame, and is hand woven in Hauser Weather Resistant Wicker. The variegated synthetic fibre used is unmatched for its high grade flexibility, strength, UV and weather resistance. Our Hauser Weather Resistant Wicker combines modern day technology with classic styling to create the ultimate furniture for commercial use. Shown here with our Driftwood (-DW) frame. (Weighted for commercial use)
