South Hampton: a world of simple abundance with nature and sophistication in friendly competition. Comfort understated in a durable hand-woven synthetic material over an aluminum frame transitions any environment into the world of privilege. Acrylic cushions with hi density weather resistant fibres allow this collection to be outside rain or shine. All Hauser cushions use the finest fibres reducing the chance of flattening, fading or mildew. The all weather wicker fibre is UV stable and can be hosed off to clean. A popular choice for sunrooms and fully exposed patio settings.
