The Manor collection offers beautifully crafted traditional cast aluminum pieces. Manor takes a simple approach with an open basket weave pattern. Chair backs and seats are curved to hug the body. Combine with Basketweave and Traditional Cast dining and occasional tables. Features and Benefits: 100% aluminum, this product will never rust All legs include levelers to accommodate uneven surfaces Nylon Foot Glides on all cast legs prevents scratching of outdoor surfaces. The cast frames are welded to provide a durable, solid piece of furniture All finishes are electrostatically applied powder coatings, ensuring a fused, durable finish which is scratch resistant and UV stable. Choose from 9 Hauser powdercoat finishes. The spring components are made of fiberglass to withstand seasonal climate changes. Cushions are made with resilient "springy" foam and hollofil stuffings to provide long-term comfort and easy drainage. Each cushion is designed with careful attention to detail on piping, buttons, zippers and matching patterns. Many outdoor fabric choices are available to co-ordinate a variety of outdoor living spaces. Care: All this product really needs is an occasional cleaning with soap and water but if you are really keen you can give your furniture added longevity by giving it a coat of fine automobile wax 2 or 3 times a year. Yardage for cushion is 7 yards.
