Kingsley Bate Chelsea Teak Dining Side Chair. Ships unassembled.

The transitional design of the CHELSEA dining chairs melds both the elegant and the casual. The CHELSEA design is appropriate with any of our dining tables. A matching armchair, bench, and deep seating options round out the CHELSEA group. Features and Benefits: Kingsley Bate uses raw grade A teak giving you the option to either let the piece naturally turn grey over time with exposure to the elements or you can seal/stain it a colour of your choosing. Grade A teak is dense with a high resin content that allows it to withstand extreme temperature changes without cracking. Care: If teak is being left to naturally patina (turn grey) it can be left out year round without a protective cover. Teak that has been sealed/stained should be placed in dry storage to avoid unnecessary maintenance of the applied finish. It is best not to use furniture covers on teak.
