

Retractable Awning

HSUM1012 - Retractable Awning

Width: 144" (365.8 cm)

Depth: 120" (304.8 cm)

Height: 87" (221.0 cm)

Our *Retractable Awning* features an all aluminum & stainless steel construction, and utilizes high-grade nylon components. The frame parts & fabrics can be exchanged for easy maintenance, cleaning & repair. The awning is available with a wide variety of fabrics and continuous length aluminum rib extrusions (1.3" dia) support the individual fabric panels. Modular twin posts allow for the creation of continuous runs of shade cover, virtually unlimited in length. Installed in your choice of Ground Insert, Deck Mount, or Free-standing bases. Available sizes: 8' D x 10', 12', 14', or 16' W | 10' D x 10', 12', 14', or 16' W
