

Paradigm Plant Wall

PS-202-AL-6x80-72 - Paradigm Plant Wall

Width: 80" (203.2 cm)

Depth: 6" (15.2 cm)

Height: 72" (182.9 cm)

Our 'Paradigm' plant walls have been professionally engineered, and feature a heavy-duty aluminum construction. The plant wall can be used to define space, while creating privacy by being filled with creeping plants or faux boxwood panels. Shown here in our 'Slate Black' powdercoat finish. Custom sizes are available upon request.
