

# Shore II Sling Loveseat

CHS422-WT - Shore II Loveseat

Designed with resiliency, simplicity, and flexibility in mind, our Shore II Sling Loveseat offers customizable finishes to suit your project; available in your choice of HauserKOTE powdercoat color, and textilene sling options. Modern design with a sleek, lightweight look, but specially weighted for commercial applications. Shown here with our 'Pewter' powdercoat finish, and 'Dense Titanium' sling fabric.
