

# Pro Tapered Pedestal Polyresin Planter

CHSVK1030-GY - Pro Tapered Pedestal Polyresin Planter

Width: 20" (50.8 cm)  
Depth: 20" (50.8 cm)  
Height: 40" (101.6 cm)

The Pro Tapered Pedestal Polyresin Planter is lightweight, fade resistant, weather & impact resistant, and environmentally friendly. The Pro Series planters are constructed out of roto-molded commercial grade polyethylene. They feature a ribbed texture, and double wall design for added insulation (frost resistant up to -30°C). Equipped with removable shelf. Available in 'Black' or 'Grey' finish. For indoor or outdoor use.
