Skyline HPL Picnic Bar Table -
72" L x 28" W x 42" H

Skyline HPL Bar Benches -
64" L x 18.75" W x 30" H

Our Skyline Picnic Bar Table & Benches feature an all-welded, powdercoated aluminum frame. Shown here with Hauser HPL (High-Pressure Laminate) table top and seat panels. Hauser HPL is produced in a thermosetting press under very high temperature and pressure. This process creates a thin, yet durable panel that can be used in an endless number of outdoor furniture applications. These exterior grade panels are extremely robust, with excellent protection against weather, UV radiation, impact and scratching; all while exceeding North American fire requirements. This durability and resilience makes Hauser HPL the ideal option for any exterior environment. Available in a variety of sizes and finishes, freestanding or bolt-down.
