

# Skyline Bike Rack With HPL Accent

PS-78-102-WD5 - Skyline HPL Bike Rack

Width: 30" (76.2 cm)

Depth: 2" (5.1 cm)

Height: 32" (81.3 cm)

The Skyline HPL Bike Rack features an all-welded aluminum construction, and is shown here with our 'Pewter' powdercoat finish and HPL panel accents. Hauser HPL (High-Pressure Laminate) is produced in a thermosetting press under very high temperature and pressure. This process creates a thin, yet durable panel that can be used in an endless number of outdoor furniture applications. These exterior grade panels are extremely robust, with excellent protection against weather, UV radiation, impact and scratching; all while exceeding North American fire requirements. This durability and resilience makes Hauser HPL the ideal option for any exterior environment. Custom sizes available upon request.
