

Urban Double Entry 3 Stream Waste Receptacle

PS-942-32 - Urban 3 Stream Waste Receptacle

Width: 32" (81.3 cm)
Depth: 24" (61.0 cm)
Height: 42" (106.7 cm)
Total Capacity: 61.5 gal (232.8 L)

Our 'Urban' waste receptacle features sleek stainless steel panels within an all-aluminum, powder-coated body. The 3 stream unit, as shown here, features 3 - 20.5 gallon liners. Available in a variety of sizes, and waste stream options. The 'Urban' series is the perfect accent to a modern architectural design.
