

Urban Double Entry 3 Stream Waste Receptacle

PS-942-32 - Urban II 3 Stream Waste Receptacle

Our 'Urban II' waste receptacle features sleek stainless steel panels within an all-aluminum, powdercoated body. The 3 stream unit, as shown here, features 3 individual galvanized liners (27 gal / 102 L each). Available in a variety of sizes, and waste stream options. The 'Urban' series is the perfect accent to a modern architectural design.
