Another terrific Dash & Albert lightweight woven cotton area rug, this time in a classic herringbone pattern. Durable construction; soft underfoot; lightweight. High- and low-traffic spaces; well-used family areas like hallways, bedrooms, and stairs. 100% Cotton Regular vacuuming and the occasional gentle shake should keep your rug in shipshape condition. Small woven cotton rugs may be handwashed gently in cold water. For large woven cotton area rugs, we recommend professional cleaning only. Do not machine wash, bleach, or tumble dry. To ensure safety and prevent slipping, we recommend you use a Rug Pad with all rugs, regardless of the type of flooring they are used on.
