This indoor/outdoor area rug features a unique texture and mottled, knitted look produced by a mix of poly yarns that peek through from under a blue checkerboard pattern. Use it to create a cozy feel in high-traffic areas, without having to worry about cleanup! 100% polypropylene. Regular vacuuming and the occasional gentle shake should keep your rug in shipshape condition. All polypropylene area rugs are hoseable, scrubbable, and bleachable. Air dry only. Do not machine wash or tumble dry. \*Due to the handmade quality of our rugs, they may vary slightly in size and/or color. Made in INDIA.
