

# Veranda Square End Table

CHSPR8005-DW-WT - Veranda Square End Table

Our Veranda End table features an all-welded, powdercoated tubular aluminum frame, and is hand woven in Hauser Weather Resistant Wicker. The variegated synthetic fibre used is unmatched for its high grade flexibility, strength, UV and weather resistance. Our Hauser Weather Resistant Wicker combines modern day technology with classic styling to create the ultimate furniture for commercial use. Shown here with our Driftwood (-DW) frame. (Weighted for commercial use)
